# SYSTEM DIAGRAM

ECM
CAN (Local Bus)
Generator Control ECU Assembly*1
DLC3
Air Conditioning Amplifier Assembly
LIN
Air Conditioning Control Assembly*2
Skid Control ECU
Power Steering ECU Assembly
Certification ECU (Smart Key ECU Assembly)*3
LIN
Steering Lock ECU*3
Combination Meter Assembly
Generator Assembly
LIN
Steering Sensor
Center Airbag Sensor Assembly
CAN (V Bus)
Lane Departure Warning Camera*4
Radio and Display Receiver Assembly*5 or Navigation Receiver Assembly*6
4WD ECU Assembly*7
Blind Spot Monitor Sensor LH*8
CAN (Sensor Bus)
Blind Spot Monitor Sensor RH*8

*1: 2WD models with 2AR-FE engine

*2: Models with automatic air conditioning system

*3: Models with smart key system

*4: Models with lane departure alert system

*5: Models with radio and display receiver assembly

*6: Models with HDD navigation receiver assembly

*7: AWD models

*8: Models with blind spot monitor system

*9: Models with power back door system

*10: Models with memory function

*11: Models with sliding roof system
